More than one position may be filled from this vacancy announcement. You need to submit only one application to be considered for the applicant pool of #66202206 and 66202238 positions. This job requires extended periods of time seated at a computer doing data entry and gathering information from employer and claimant customers via telephone.

The successful applicant must receive positive job references. Pay for employees new to the Department will be set at one step below the salary of employees with similar qualifications and shall have pay adjusted to the appropriate salary following successful completion of the trial period.

Duties:

This position files unemployment insurance claims for unemployed workers; identifies and collects the information necessary to adjudicate potentially disqualifying circumstances; adjudicates certain claims issues; and serves as a resource by researching and communicating information requested by applicants, claimants, employers, and other interested parties. Is the primary point of contact with parties interested in the Montana Unemployment Insurance Benefits system and provides the critical first step in what often times is a very complex process. Files all types of unemployment claims and gathers facts from both the claimants and the employers for benefits payment control, charging issues, monetary determinations and non-monetary issues. Identifies and investigates all potential issues and then determines when sufficient information have been gathered to allow for proper adjudication. Adjudicates "attending apprenticeship training", "quit to follow" and "quit to move" issues.

Competencies:

Requires the ability to analyze, organize, and interpret highly complex benefit claim information from various sources to determine claimants' benefit source, eligibility and potential charges to employer accounts. Must be skilled in the use of personal computers, databases, and computer software. Must have the ability to learn and apply policies, procedures, and regulations that are required to perform assigned work and explain claims process and reasons and need for information request to others.

Must have behavioral skills in Commitment to Task and Individual Responsibility, Quality and Continuous Improvement, Customer Focus, Integrity and Ethics in the Workplace, and Continuous Learning and Individual Growth.

The Department of Labor and Industry strives to provide an effective customer focused work environment. Our goal is to provide excellent service to all our customers. The core values of this Department are customer focus, individual responsibility, individual growth, ethics in the workplace, and continuous improvement. These values represent the Department's expectations of staff and the ideal employee is one who embraces these values.

Education/Experience:

Knowledge, skills, and abilities are typically acquired through a combination of education and/or experience which includes college level course work in liberal arts or business-related discipline and professional work experience that involves administering, interpreting and applying laws, rules, and regulations. Minimum qualifications require three years of the above related education and/or experience.

The successful applicant(s) with college credits or college degree(s) shown on the application may be required to provide a copy of their college transcripts or diploma upon interview or prior to hire for pay setting purposes.

Application materials required initially for this position include the following:

Signed and completed State of Montana Employment Application (PD-25, Rev. 5/2003 or later). Portions of the application may be photocopied if legible (see application page 1 for instructions).

If Supplement Required, complete application supplement identified with your name and the position number (see attached Supplement Questions if provided).

Applications materials required are:

1. Signed and completed State of Montana Employment Applications (PD 25).
2. Applicants claiming the Veterans' or Person's with Disability Employment Preferences (PD-25A) must provide verification of eligibility with the application materials.
3. Completed Application Supplement.
4. The successful applicant(s) with college credits or college degree(s) shown on the application may be required to provide a copy of their college transcripts or diploma upon interview or prior to hire for pay setting purposes.

*Application materials can be obtained from any Job Service office or downloaded from <http://mt.gov>. Applications must be received by 5:00 p.m. on closing date.

Applications will be rejected for late, incomplete or unsigned application materials. Typed signatures will be considered.

**Selection will be based on the following:
